REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

MEMORANDUM.

WAR-OFFICE, 30th June, 1827.

CAPTAINS on Half-Pay, who are desirous of becoming Candidates for Regimental Paymasterships, should send their applications to the Secretary at War, accompanied by proper testimonials and references as to Character and Eligibility.

No. 456.

GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Digitized by Google

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

MEMORANDUM.

WAR-OFFICE, 30th June, 1827.

CAPTAINS on Half-Pay, who are desirous of becoming Candidates for Regimental Paymasterships, should send their applications to the Secretary at War, accompanied by proper testimonials and references as to Character and Eligibility.

No. 456.

GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid

shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

No. 460.

GENERAL ORDER.

HORSE-GUARDS, 8th December, 1827.

IN consequence of its having been represented to the Commander-in-Chief, that very great distress and inconvenience have been occasioned by an excess of Women, beyond the regulated number, being present with most of the Regiments on Foreign Service, notwithstanding the precaution hitherto taken to prevent it; his Grace deems it expedient, with reference to the General Regulations and Orders of the Army, whereby the proportion of Soldiers' Wives to embark with Regiments for Foreign Stations (India and New South Wales excepted) is limited to 6 to 100 Men, to direct that the following Rules shall be strictly observed.

When a Regiment or Detachment embarks, a Nominal List of the Women allowed to proceed with it is to be furnished to the Agent of Transports, or to the Master of the Vessel, signed by the Commanding Officer of the Corps or Detachment, and countersigned by the Officer superintending the Embarkation.

In making the selection of Women to be allowed to proceed, care should be always taken that those of the best character, and most likely to be useful to the Troops, should be first chosen; and no greater proportion to be selected of Serjeants' Wives than the Serjeants bear to the whole number of the Battalion, which according to the present Establishment of the Six Service Companies will be as follows:

	Proportion of Women to be allowed Rations.
30 Serjeants	2
514 Corporals, Drummers, and Privates	31
544	33

Officers Commanding Regiments on Foreign Stations are to specify in the Returns which they transmit to the Depot Companies at Home, the Vacancies which may from time to time occur in the regulated number of Women, and the Names of those proposed by them to be sent out with Detachments to fill such Vacancies.

It is to be considered a Rule, in no case to be departed from, that Women who have already joined the Regiment without authority,—or who may hereafter find their way out to the Regiment,—or who have been taken out,—or who may hereafter, by the Commander-in-Chief's permission, obtained through His Military Secretary, accompany Officers as Servants in their Families, and afterwards quit such Service, should they refuse to be sent Home at the expense of the Officer, in conformity to his engagement when such permission was granted,—are not to benefit thereby, by being allowed at any future time to fill the Vacancies which may arise in the regulated number for whom Rations are allowed, and which must be reserved for those who have waited at Home for their turn to go out.

By Command of His Grace
The Commander-in-Chief.
HENRY TORRENS, Adjutant General.

GENERAL ORDER.

HORSE-GUARDS, 20th December, 1827.

CONSIDERABLE Inconvenience having arisen to the Public Service from Officers, who are Members of Courts-Martial, having been permitted to embark with their Regiments, or to go on Leave of Absence, before the Proceedings have been confirmed, the Commander-in-Chief desires that the Officers of the Army may be reminded, that they are not competent to any other general Duty, or to apply for Leave of Absence from their Regiments, until the Proceedings of the Court, of which they form a part, are finally disposed of.

General Officers in Command will give their particular attention to this subject; and in case of any pressing necessity calling for the Services of Officers so situated, a reference must be made to the Commander-in-Chief, through the Adjutant General, if at home,—or, if on Foreign Stations, to the General Officer Commanding,—before they are permitted to go beyond the reach of a Call for the re-assembling of the Court.

By Command of His Grace
The Commander-in-Chief.
HENRY TORRENS, Adjutant General.

No. 463.

GENERAL ORDER.

HORSE-GUARDS, 22d December, 1827.

WITH a view to expedite the Public Service, and to promote on all occasions a due alacrity and obedience to Orders, the Commander-in-Chief has been pleased to direct, that whenever an Officer receives a Command to join his Regiment, or to proceed on any Service;—

1st.—That the Officer shall be required to record, upon the face of the Order, the Time of receiving it; the mode of Conveyance he had adopted; and the Time of his arrival at the Place ordered, previously to his delivering the Order to the Paymaster, as a Voucher,—or to the Commanding Officer, as an Order received and obeyed;—

2d.—That the Paymaster shall be required to record also upon the same Document, (previous to founding a Claim of Marching Allowance upon it), the Time that he received it from the Officer; and where no Marching Allowance is due, that this be done by the Commanding Officer.

Three Days will be granted for preparation to all Officers *not ordered on emergent Service*, in which case it will be distinctly specified; and Seventy Miles will be held as the Minimum Distance which it is expected each Officer will travel per Day, in the completion of the Journey.

The Commander-in-Chief is further pleased to direct, that in all cases where the Officer does not arrive within the specified Period (whether entitled to Marching Allowance, or not), a special Report be made of the Circumstance by the Commanding Officer of the Regiment, Depôt, or Station, to which he belongs, to the Adjutant General of the Forces.

By Command of His Grace
The Commander-in-Chief.
HENRY TORRENS, Adjutant General.

No. 464.

GENERAL ORDER.

HORSE-GUARDS, 31st December, 1827.

THE Commander-in-Chief finds it necessary to remind the Officers of the Army, that on or before the Day upon which their Leave of Absence expires, they are bound to

Digitized by Google

be actually present with their Regiments, or Departments if they belong to the Staff, whether the same be stationed at Home or Abroad.

His Grace is resolved to enforce the strictest compliance with the above Regulation, and will refuse any Application for an extension of Leave of Absence, which, after the present Warning, shall not be made in ample time to admit of the Applicant being at his Post before the expiration of his original Leave, in the event of such extension being refused.

His Grace likewise reminds Officers, that when, in consequence of *sudden illness*, or other *unavoidable* circumstances, they fail to join their Regiment or Department before the expiration of their Leave, they are required, by the "General Regulations and Orders of the Army," to furnish, for the Commander-in-Chief's information, as soon as they join, a Statement of the Cause of failure.

These Statements must invariably be made through the Officer Commanding the Regiment, or Department, as well as through the General Officer (if any there be) under whom it is serving, and will in no case be admitted by His Grace when transmitted to the Adjutant General through any but the Official channels herein specified.

By Command of His Grace
The Commander-in-Chief.
HENRY TORRENS, Adjutant General.

SIR,

THE Commissioners of Chelsea Hospital having notified to the Secretary at War, that they have made arrangements for the future payment of Out-Pensioners resident in Ireland, through the Collectors of Excise instead of the Postmasters as heretofore, I am directed by Lord Palmerston to request, that when any Soldiers are discharged from the Regiment under your Command, under the Royal Warrant of 19th August, 1823, and intend to reside in Ireland, they may be instructed to apply for their Pensions to the Collectors of the Excise, in the same manner as in England and Scotland.

I am directed, however, to observe, that this alteration will not apply to the Pensioners resident in Dublin and its neighbourhood, as they will continue to receive their Pensions through the Sub-Agent of Chelsea Hospital in that City.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

MEMORANDUM.

WAR-OFFICE.

CAPTAINS on Half-Pay, who are desirous of becoming Candidates for Regimental Paymasterships, should send their applications to the Secretary at War, accompanied by proper testimonials and references as to Character and Eligibility.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been

pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

GENERAL ORDER.

HORSE-GUARDS, 20th December, 1827.

CONSIDERABLE Inconvenience having arisen to the Public Service from Officers, who are Members of Courts-Martial, having been permitted to embark with their Regiments, or to go on Leave of Absence, before the Proceedings have been confirmed, the Commander-in-Chief desires that the Officers of the Army may be reminded, that they are not competent to any other general Duty, or to apply for Leave of Absence from their Regiments, until the Proceedings of the Court, of which they form a part, are finally disposed of.

General Officers in Command will give their particular attention to this subject; and in case of any pressing necessity calling for the Services of Officers so situated, a reference must be made to the Commander-in-Chief, through the Adjutant General, if at home,—or, if on Foreign Stations, to the General Officer Commanding,—before they are permitted to go beyond the reach of a Call for the re-assembling of the Court.

By Command of His Grace
The Commander-in-Chief.

HENRY TORRENS, Adjutant General.

No. 463.

GENERAL ORDER.

HORSE-GUARDS, 22d December, 1827.

WITH a view to expedite the Public Service, and to promote on all occasions a due alacrity and obedience to Orders, the Commander-in-Chief has been pleased to direct, that whenever an Officer receives a Command to join his Regiment, or to proceed on any Service;—

1st.—That the Officer shall be required to record, upon the face of the Order, the Time of receiving it; the mode of Conveyance he had adopted; and the Time of his arrival at the Place ordered, previously to his delivering the Order to the Paymaster, as a Voucher,—or to the Commanding Officer, as an Order received and obeyed;—

2d.—That the Paymaster shall be required to record also upon the same Document, (previous to founding a Claim of Marching Allowance upon it), the Time that he received it from the Officer; and where no Marching Allowance is due, that this be done by the Commanding Officer.

Three Days will be granted for preparation to all Officers *not ordered on emergent Service*, in which case it will be distinctly specified; and Seventy Miles will be held as the Minimum Distance which it is expected each Officer will travel per Day, in the completion of the Journey.

The Commander-in-Chief is further pleased to direct, that in all cases where the Officer does not arrive within the specified Period (whether entitled to Marching Allowance, or not), a special Report be made of the Circumstance by the Commanding Officer of the Regiment, Depôt, or Station, to which he belongs, to the Adjutant General of the Forces.

By Command of His Grace
The Commander-in-Chief.
HENRY TORRENS, Adjutant General.

No. 464.

GENERAL ORDER.

HORSE-GUARDS, 31st December, 1827.

THE Commander-in-Chief finds it necessary to remind the Officers of the Army, that on or before the Day upon which their Leave of Absence expires, they are bound to be actually present with their Regiments, or Departments if they belong to the Staff, whether the same be stationed at Home or Abroad.

His Grace is resolved to enforce the strictest compliance with the above Regulation, and will refuse any Application for an extension of Leave of Absence, which, after the present Warning, shall not be made in ample time to admit of the Applicant being at his Post before the expiration of his original Leave, in the event of such extension being refused.

His Grace likewise reminds Officers, that when, in consequence of *sudden illness*, or other *unavoidable* circumstances, they fail to join their Regiment or Department before the expiration of their Leave, they are required, by the "General Regulations and Orders of the Army," to furnish, for the Commander-in-Chief's information, as soon as they join, a Statement of the Cause of failure.

These Statements must invariably be made through the Officer Commanding the Regiment, or Department, as well as through the General Officer (if any there be) under whom it is serving, and will in no case be admitted by His Grace when transmitted to the Adjutant General through any but the Official channels herein specified.

By Command of His Grace
The Commander-in-Chief.
HENRY TORRENS, Adjutant General.

GENERAL ORDER.

HORSE-GUARDS, 15th February, 1828.

THE KING has been most graciously pleased to direct, that General Lord Hill shall be placed on the Staff of His Majesty's Army, and that all matters respecting His Majesty's Military Service, which have heretofore been transacted by the Commander-in-Chief, shall henceforth pass through the hands of General Lord Hill, G.C.B.

The King's Service having imposed upon Field-Marshal the Duke of Wellington the necessity of resigning the Office of Commander-in-Chief, the Field-Marshal is happy to deliver over the Command to a General Officer who has so frequently promoted the Honour of the Army by his own conduct and example; who is so well known to the Officers and Troops, and so well acquainted with their Services and Merits.

By Command of His Grace
The Commander-in-Chief:
HENRY TORRENS, Adjutant General.

GENERAL ORDER.

HORSE-GUARDS, 16th February, 1828.

ACCORDING to The King's gracious Command, General Lord Hill assumes the station of General on the Staff, in order that all matters respecting His Majesty's Military Service, which have hitherto been transacted by The Commander-in-Chief, shall henceforth pass through his hands.

His Lordship cannot undertake the arduous duties which devolve upon him, by this pre-eminent mark of His Majesty's favour, without expressing his confident hope, that he will receive from the General and other Officers, and from the Public Departments of the Army, the zealous support calculated to enable His Lordship to fulfil the important trust reposed in him, and to maintain the order, regularity, and discipline for which the Service has been distinguished under the Command of his Royal Highness the late Duke of York, and His Grace the Duke of Wellington.

His Lordship is convinced that he shall best perform his duty to his King,—his Country,—and to the Army itself, by endeavouring to follow the high example afforded by these his Illustrious Predecessors.

By Command of The Right Honourable
General Lord Hill.
HENRY TORRENS, Adjutant General.

Lieut.-Colonel Richard Egerton, Half pay.
Major Digby Mackworth, Half-pay.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

MEMORANDUM.

WAR-OFFICE.

CAPTAINS on Half-Pay, who are desirous of becoming Candidates for Regimental Paymasterships, should send their applications to the Secretary at War, accompanied by proper testimonials and references as to Character and Eligibility.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

GENERAL ORDER.

HORSE-GUARDS, 15th February, 1828.

THE KING has been most graciously pleased to direct, that General Lord Hill shall be placed on the Staff of His Majesty's Army, and that all matters respecting His Majesty's Military Service, which have heretofore been transacted by the Commander-in-Chief, shall henceforth pass through the hands of General Lord Hill, G.C.B.

The King's Service having imposed upon Field-Marshal the Duke of Wellington the necessity of resigning the Office of Commander-in-Chief, the Field-Marshal is happy to deliver over the Command to a General Officer who has so frequently promoted the Honour of the Army by his own conduct and example; who is so well known to the Officers and Troops, and so well acquainted with their Services and Merits.

By Command of His Grace
The Commander-in-Chief.
HENRY TORRENS, Adjutant General.

HORSE-GUARDS, 16th February, 1828.

ACCORDING to The King's gracious Command, General Lord Hill assumes the station of General on the Staff, in order that all matters respecting His Majesty's Military Service, which have hitherto been transacted by The Commander-in-Chief, shall henceforth pass through his hands.

His Lordship cannot undertake the arduous duties which devolve upon him, by this pre-eminent mark of His Majesty's favour, without expressing his confident hope, that he will receive from the General and other Officers, and from the Public Departments of the Army, the zealous support calculated to enable His Lordship to fulfil the important trust reposed in him, and to maintain the order, regularity, and discipline for which the Service has been distinguished under the Command of his Royal Highness the late Duke of York, and His Grace the Duke of Wellington.

His Lordship is convinced that he shall best perform his duty to his King,—his Country,—and to the Army itself, by endeavouring to follow the high example afforded by these his Illustrious Predecessors.

By Command of The Right Honourable
General Lord Hill.
HENRY TORRENS, Adjutant General.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

Digitized by Google

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

MEMORANDUM.

WAR-OFFICE.

CAPTAINS on Half-Pay, who are desirous of becoming Candidates for Regimental Paymasterships, should send their applications to the Secretary at War, accompanied by proper testimonials and references as to Character and Eligibility.

No. 456. GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

Digitized by Google

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

MEMORANDUM.

WAR-OFFICE.

CAPTAINS on Half-Pay, who are desirous of becoming Candidates for Regimental Paymasterships, should send their applications to the Secretary at War, accompanied by proper testimonials and references as to Character and Eligibility.

No. 456. GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.
